The second goal is to improve grades 9-12 Regular Attenders from 72% to 80% by June 11, 2020. The final goal is to improve the 4 year Cohort Graduation Rate to 90% by June 1, 2020.

State Goals

The Oregon Department of Education is partnering with school districts and local communities to ensure a 90% on-time, four year graduation rate by 2025. To progress toward this goal, the state will prioritize efforts to improve attendance, provide a well-rounded education, invest in implementing culturally responsive practices, and promote continuous improvement to close opportunity and achievement gaps for historically and currently underserved students.
